Proposal for Restructuring the Planning Commission

2506. SHRI MENTAY PADMANABHAM : Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state :

(a) whether there is any proposal under Government's consideration to restructure the Planning Commission; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI GIRIDHAR GOMANGO) : (a) and (b) In an internal exercise carried out by the Planning Commission, a Task Force of Officers of the Planning Commission looked into the functioning of the Commission and in that context more professionalisation of the staff, their strength and deployment among different divisions. The Task Force endorsed a decision taken earlier to restrict the technical and administrative staff strength of the Planning Commission to 1580. Subject to approval of the full Planning Commission, there will also be a reorganisation of work among different divisions with consequential adjustment of staff.

Impact of Poor Plan Investment on Core Sector Expansion

2507. SHRI MENTAY PADMANABHAM : Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state :

(a) whether it is a fact that poor Plan Investment in 1992-93 will severely hit the core sector expansion, especially Power, Railways, Irrigation and Agriculture;

(b) if so, at what stage this shortfall was anticipated;

(c) whether the Planning Commission is embarking on any initiatives to retrieve the situation; and

(d) whether any discussions have been held with State Governments to ensure that the plan size is protected ?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI GIRIDHAR GOMANGO): (a) Higher outlays have been provided in the overall and for the Power, Railway, Irrigation & Agriculture sectors in the Annual Plan 1992-93 compared to the Annual Plan 1991-92. There is a further step up in the outlays for the overall plan including these sectors in Annual Plan 1993-94.

(b) to (d) Do not arise.

(b) what is the status of resource mobilisation by States;

(c) what are the targets set for different States and achievements recorded thus far in resource mobilisation;

(d) whether Planning Commission will study ways and means to meet the final targets of Eighth Five Year Plan; and

(e) what are the details of alternatives being examined by the Planning Commission to meet targets in priority sectors?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI GIRIDHAR GOMANGO): (a) A mid-term review of the Five Year Plans includes progress in resources mobilisation and revision of targets. It is too early for a mid-term Review for the Eighth Five Year Plan.

A statement indicating the approved Plan outlay and the revised Plan outlay of the States for 1992-93 and the approved Plan outlays for 1993-94 Annual Plan, based on the resource estimates is annexed. (*See below*)
